

LWS OPEN AT IDLEWILD

DISC GOLF PRO TOUR ELITE EVENT
SEPTEMBER 4-6, 2026

2026 SPONSOR GUIDE

INTRODUCTION

Dear Partners,

After joining the Disc Golf Pro Tour in 2017, the LWS Open at Idlewild continues to treat disc golf fans from across the Midwest to a thrilling weekend of competition in 2026.

Looking on to 2026, we are excited once again to be a stop on the Disc Golf Pro Tour as an Elite Series event. This will be our 10th consecutive year on the Pro Tour and as always we will be striving to make the event bigger and better for players and spectators.

With a better date on the tour this year that doesn't interfere with the European Swing we are hoping that many of the European players will be making the trip across the pond to join us.

Each year, we bring 1000s of spectators to the event to watch the best disc golf on the #24 course in the country. The MPO division is a testament to this as we have had only 1 repeat winner. Paul McBeth took down Gannon Buhr last year in a thrilling final round.

We are grateful for all the support over the years and we look forward to continuing partnerships as well as creating new ones. These partnerships helped us achieve one of the highest payout purses again in 2025.

Watch it all go down September 4-6, 2026.
